Applicants will run the below listed 3-minute, 45-second timed obstacle course (approximately 800 feet) with several events that must be completed throughout the course. The course is timed to simulate the physical abilities an officer may be required to exhibit consecutively when responding to emergency situations.

Event 1

Listen to the sequence of numbers read to you to remember for Event 4. Run, ascend and descend flights of stairs the equivalent of about four floors. This event simulates the agility and speed needed during a call for backup in another part of the correctional facility.

This event measures the ability to remember a set of instructions while completing several other tasks during an emergency situation.

RE: **NOTICE REGARDING FEDERAL FIREARMS ACT/DOMESTIC VIOLENCE**

In September of 1996, the United States Congress passed an amendment to the Federal Firearms Act. This 1996 change prohibits any person, who has ever been convicted in any court of a misdemeanor crime of domestic violence, from possessing a firearm or ammunition. There is no exemption for law enforcement officers.

18 U.S.C. §922(g)(9) prohibits the possession of a firearm or ammunition by “any person who has been convicted in any court of a misdemeanor crime of domestic violence.”

18 U.S.C. §921(a)(33)(A) defines “misdemeanor crime of domestic violence” as “an offense that (i) is a misdemeanor under Federal or State law; and (ii) has, as an element, the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by a current or former spouse, parent, or guardian of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, parent, or guardian, or by a person similarly situated to a spouse, parent, or guardian of the victim.”

Also, 18 U.S.C. §922(g)(8) additionally prohibits the possession of a firearm or ammunition by any person “who is subject to a court order that (A) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate; (B) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and (C)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.”

U.S.C. §921(a)(32) defines “intimate partner”:

The term “intimate partner” means, with respect to a person, the spouse of the person, a former spouse of the person, an individual who is a parent of a child of the person, and an individual who cohabitates or has cohabitated with the person.

For either situation, if the above-referenced criterion applies to you, you are ineligible to be hired as a Corrections Officer Recruit.
